

Point Pool Instructions

The Perk pool will continue to normal completion (through the Super Bowl). To enable this, new procedures have been put in place. These procedures will primarily cover wagering and documentation since the site will no longer be available to handle those issues. These were the same procedures used prior to the website's existence so we are confident they will work.

Effective Date

WEEK 8 WAGERS MUST BE DONE THROUGH THE WEBSITE

Schedules

Your schedule remains unchanged. The complete schedule for all players is included with this document. You may wish to log in to the website before it is shut down and print out your own schedule. To do this, simply visit your "My Schedule" page, click and drag to highlight your entire schedule (or the part you want to have) and copy it to an Excel spreadsheet or Word document.

Keep in mind that once we reach the playoffs, you will be wagering on every game.

As for minimum wagers, they will always round UP. If you have 100 points, 5% = 5 points. If you have 101 points, 5% = 5.05 points and your minimum wager is 6.

Wagering Procedure

The wagering procedure is simple.

1. Before the deadline, email your wagers to ThePerk@MyPointPool.com
2. You then receive a confirmation "OK" email back.
3. **If you do not receive an "OK" confirmation email, submit your wagers again and request a reply or a read receipt.**
4. Please put the above email address in your "Safe senders" list so our emails are not spam filtered.

Include in your email the Screen Name, the Spot #, Team 1 + the wager amount and Team 2 + the wager amount. Using the subject line to list the week number is helpful.

The screenshot shows an Outlook 'Message' window titled 'Week 9 - Message (HTML)'. The 'To' field contains 'ThePerk@MyPointPool.com'. The 'Subject' field contains 'Week 9'. The email body contains two entries:

EaglesFan
#31
Phil 40
Wash 25

#86
Buf 100
TB 15

Four callout boxes provide instructions:

- Callout 1: Points to the 'To' field with the text: "Make sure this email is in your 'safe senders' list".
- Callout 2: Points to the 'Subject' field with the text: "Include a subject line. Week # works well.".
- Callout 3: Points to the first entry with the text: "Necessary information is: 1) Screen name, 2) Spot number, 3) Team 1 + wager, 4) Team 2 + wager".
- Callout 4: Points to the second entry with the text: "No need to repeat your screen name for multiple spots".

Wagers & Results

Once the wagering deadline is passed, the "Wager Sheet" will be completed and emailed to all pool participants as a PDF file. That will allow you to review the wagers and follow the results throughout the weekend.

Once the weekend's games have been completed, a "Results Sheet" will be completed and emailed to all pool participants as a PDF file. It will include the week's results and updated standings.

The entire process will begin again for the upcoming week.

Despite our best efforts, with all the data being handled manually, mistakes may well be made. If you notice any mistakes on either the wager or results sheets, please email us and we will make the appropriate correction and re-issue the sheet. We appreciate your help in this regard.

Disputes

Any disputes that arise will be handled between MyPointPool and The Perk management. Decisions will be final. Since we will be using emails to submit wagers, it is strongly recommended that wagers be made with a reasonable amount of time before the wagering deadline each week in order to avoid any possible problems with a delay in delivery that could be counted as a late (and therefore disqualified) wager.

Elimination

You will be eliminated from the pool when any of the following events occur:

1. You lose all of your points.
2. You let us know you have dropped out.
3. You have less than 20 points and do not wager for one week.
4. You have any number of points and do not wager for 2 consecutive weeks.

Summary

Despite the setback of having our website shut down due to funding issues brought about in large part by the current financial crisis, we look forward to completing the season for our radio station partners, the pool sponsors and you, the pool player.

We appreciate your participation in our great new pool and look forward to returning next year with a slate of new games for you and your friends to try your hands at.

In the meantime, we wish you the best of luck in the pool and best wishes through the holiday season.
